

negatively affect your credit health.

Accounts with Adverse Information

Adverse information typically remains on your credit file for up to 7 years from the date of the delinquency. To help you understand what is generally considered adverse, we have added >brackets< to those items in this report. For your protection, your account numbers have been partially masked, and in some cases scrambled. Please note: Accounts are reported as "Current; Paid or paying as agreed" if paid within 30 days of the due date. Accounts reported as Current may still incur late fees or interest charges if not paid on or before the due date.
